Impact on TARVI

Suresh, from Kotagiri, has low vision. Despite this challenge, he has achieved a Master of Arts degree in English Literature. Suresh is determined to succeed in the TNPSC exam, having already appeared for it four times. Previously, he worked as a caretaker in Coimbatore for two years. In 2023, he joined the Tarvi Centre's first batch to receive basic computer training. Following his training, he was successfully placed as a caretaker at an old age home in Coimbatore. Most recently, on September 14, 2024, he took another step towards his goal by writing the TNPSC exam.

Soniya, from Ooty, has low vision, but her determination has led her to achieve remarkable success. After completing her Bachelor of Arts degree in History, she joined the Tarvi Centre's second batch in 2023 to receive basic computer training. With our support, she was able to explore various job opportunities. Her skills and talent earned her a position at JFA Furniture Company in Chennai, where she excelled and received a weekly achievement reward. Her newfound financial stability enabled her to pursue an even better opportunity, and she is now thriving as a Telemarketing Officer at HDB Financial Services in Chennai.

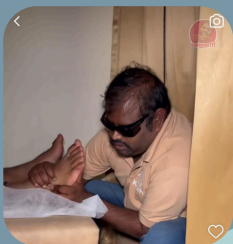

Subeesha, from Malappuram, Kerala, lives with low vision, but her determination and resilience have driven her to achieve her goals. After completing her Bachelor of Arts degree in Malayalam, she joined the Tarvi Centre's second batch in 2023 to acquire basic computer training. Her skills and talent earned her a job offer from JFA Furniture Company in Chennai, but unfortunately, she had to decline due to accommodation challenges. Undeterred, she continued her job search and has now secured a placement as a Telecaller at NVISION in Ernakulam, marking a significant milestone in her career.

Satheesh Kumar, from Kattabettu, has low vision, but his passion for music has driven him to achieve remarkable success. He holds a Ph.D. in Music and runs his own music academy, TEESHA MUSIC ACADEMY, in Ooty. Additionally, he works as a music teacher in schools. In 2023, he joined the Tarvi Centre's second batch to receive basic computer training. Following his training, he was presented with an opportunity to teach computer classes to visually challenged students in Coimbatore. He now dedicates his weekends to teaching this class. His musical talent was recently recognized when he received an award from the Collector for achieving First place in Vocal Music in The Nilgiris on July 1, 2024.

Ismail, from Thrissur, Kerala, was born with visual impairment, but his indomitable spirit has driven him to achieve remarkable success. Holding a Bachelor of Arts degree in English Literature, he is also a talented cricketer, representing Kerala State's blind cricket team. After completing his degree, Ismail worked as an assembler for six months. In 2023, he joined the Tarvi Centre's second batch to acquire basic computer training. Following his training, he received a job offer from Sutherland Company but declined due to salary constraints. Undeterred, he shared his skills as a computer trainer for seven months. Currently, Ismail is pursuing Teacher Training Course (TTC) in Thrissur, further enhancing his career prospects.

Udhaya Kumar, from Kotagiri, holds a Bachelor of Arts (B.A.) degree. After completing his degree, he focused on preparing for the TNPSC Government exam. In 2023, he joined the Tarvi Centre's first batch to receive basic computer training. Udhaya Kumar has demonstrated proficiency in MS Excel. Through our efforts, he has been exposed to numerous job opportunities. We are pleased to announce that he has been selected for the position of Trainer in Foot Reflexology Therapist- Coimbatore.
